Declaration of We The People  
for the Establishment of :::  
The Independent States of America  
(I.S.A.)

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the "unsinkable" Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10<sup>th</sup> amendment to the Constitution grants each of our 50 states *independence* from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the home of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, **we wish to establish a new government** by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and printout, back and forth, everywhere, for the Establishment of the "Independent States of America" or I.S.A. **You can be the "I" in I.S.A.**; a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps one that provides a home for every new family.

"I" agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement and pass around many copies; it is the duty of every free and independent person to promote freedom. If this quickly becomes a fad; We will convene for real positive change. There is no website behind this; nor any particular people. It is free to say "Yes!".

This people's petition is perfect for email attachment.

What do you want the coming "world government" to be like? Governments, controlled mostly by a global finance aristocracy, have killed more than 250 million so far already.

## "THE MEMORY CARD SHARED PEOPLE'S SURVIVAL

## BOOK AGAINST 2012' S WORLD ORDER FASCISM AND AGENDA 21"

Share this booklet out like you would share slices with others if your pizza was endless.

In fact, once the criminal system is reformatted we can all organize a big pizza party on a new holiday. So consider this your invitation to join with the global pizza party., that is if we can make it happen.

"Agenda 21", as it is known, is not only a reduction of your country's sovereignty but also your sovereignty over your own body and basic natural rights, and also robs your authority over your children's body's and mind's. It is a world government plan to manage and take over your lives like a zoo takes over animals lives. Please research it.

The People of the world are waking up to the fact that the existing "system" has been and is still being managed behind scenes of governments and the media by a global criminal generational mafia of about 5-7 thousand rich and powerful 'elites'.

We The People all around need to become the media. We cannot trust the corporate propaganda engines who report to these 'elites'.

We don't need to worry about being tracked and traced for delivering and receiving information if we are careful or if we all act together at once; while protecting each other.

We can utilize the internet too, however

We can utilize the billions of memory cards that most all of us already own. And almost everyone in the world has access to a computer, or will in the near future.

It is easy to copy a file, such as a book in PDF format, or an audio recording, or a whole folder of items, using two memory cards, or even two cell phones, and a laptop. Invent new bridge devices.

With memory card technology, We the People have the capability of running local internets ourselves, simply by passing gigabytes of information to others, by hand, to friends and neighbors.

If we can all get on the same page, and define as a group what kind of *world government conditions and rules* we will enjoy having over our heads, we can do amazing things together. In truth, we really don't need to be governed or told what to do, rather we need to be protected and serviced by a benevolent system.

For starters, every 18+ year old around the world should soon have this booklet, mostly delivered through the People's Internet. And most every adult should purchase a gun or learn how to use an alternative defense to protect ourselves and our families.

Obama-nation: "National Socialism" (1939-1945 Germany); power in fewer hands has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "OBAMAGRAM" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/forged Hawaiian birth certificate (see: [obamacrimes.com](http://obamacrimes.com)). Otherwise, perhaps, the future is already foretold.

The first decoding literally states Obama ("Oh....bomb-us??") will at least appear to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero just prior to the the detonation (Washington DC?)

his pseudo-demise could only be yet another ruse. [ A large deep tunnel system exists under DC.

The white house has a hidden entrance to an underground tunnel network and secret facility. ]

Why a nuke? The incredible decoding states: "A bomb eradicates prank!"

(Letters of "**President Barack Obama**"): and "Ape bomb! Stark radiance!"

"**Stark Radiance**" seems to imply nuclear. It appears one of the two decoded *Obamagram* scripts will be played out.

To help prevent future horror: hot photatocopy this, email, print booklets, even sell for a profit.

ABOUT THE *fascist* "NEW WORLD ORDER" BEAST SYSTEM; PUBLIC OPINION MEANS EVERYTHING.

Things are now getting worse - even more than under the former puppet scrub Bush Jr.! Total Darkness!

**Action! : The major media celebrity liars WORLDWIDE need to be arrested & incarcerated until the trial, then quickly after them, the world's criminal elite class for trial. And ASAP!**

The global elites have to be contained by the good forces within the various world militaries; a mutiny! Those helpful in their round-ups will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the Rothschild's and other elites. The "6660" or so elites should be contained in a "floating capstone" prison island, where they can dominate themselves and we can watch via a new reality tv show, like "Lost", but more fun & real.

So QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE, NAKED BODY SCANNING, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING! AWAKEN TODAY!

Discuss together and prevent the elite's ongoing bio-attack strategies! Do it for you and others!

# Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

*Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.*

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

**Addendum:** Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

- \* Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*
- \* Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*
- \* Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*
- \* Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*
- \* Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. ( All inmates individually reviewed for possible release. )*
- \* No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.
- \* An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.
- \* Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

**If the world knew how to use freedom without abusing it, tyranny would not exist. - Tehyi Hsieh**

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Material abundance without character is the surest way to destruction. - **Thomas Jefferson** ~~~ To me the sole hope of human salvation lies in teaching. - **George Bernard Shaw** ~~~ **The empires of the future are the empires of the mind.** - **Winston Churchill** ~ "I have unwittingly destroyed my country." - **Woodrow Wilson** {After signing the Federal Reserve Act in 1913} ~~~ The basic idea behind teaching is to teach people what they need to know. - **Carl Rogers** ~~~ **Awaken people's curiosity. It is enough to open minds, do not overload them. Put there just a spark.** - **Anatole France** ~~~ Education...beyond all other devices of human origin, is a great equalizer of conditions of men -- the balance wheel of the social machinery... \$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$

## ***Soldiers Code***

1. I am an American soldier - A protector of the citizenry, sworn to uphold the Constitution of the United States.
2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country & its flag. I wish to look back and say that I am proud to have served my fellow citizens.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.

Here is just one leaked photo of one elite gold depot. This one is supposedly under London.

The elite think they 'own' and control most of the gold and other precious metal bullion. Yes the bulk of it was stolen through the elite's corrupt money printing and financial scams.

Armed forces:

Each successful reclamation operation of elite gold should reward you personally for your risk and effort, so each gold reclamation soldier should receive either 3, 2 or 1 bars of gold as a gifted bounty from the world's people.

The majority of the reclaimed gold (at least  $\frac{2}{3}$ <sup>rd</sup> of all reclaimed bars) should be organized and guarded and held to fund the new benevolent system... funding new public projects; helping to elevate the quality of life of the masses of the world's underprivileged.

**Article by Paul Joseph Watson, [Infowars.com](http://infowars.com), January 28, 2011**

Zbigniew Brzezinski's much feared "global political awakening" is in full swing. Revolts in Egypt, Yemen, Tunisia and other countries represent a truly monumental worldwide rallying cry for freedom that threatens to immeasurably damage the agenda for one world government, but only if the successful revolutionaries can prevent themselves from being co-opted by a paranoid and desperate global elite.

During a Council on Foreign Relations speech in Montreal last year, co-founder with David Rockefeller of the Trilateral Commission and regular Bilderberg attendee Zbigniew Brzezinski warned of a "**global political awakening**," mainly comprising of younger people in developing states, that threatened to topple the existing international order.

Reading the full extent of Brzezinski's words in light of the global revolts that we now see spreading like wildfire across the planet provides an astounding insight into how crucially important the outcome of this phase of modern history will be to the future geopolitical course of the world, and in turn the survival and growth of human freedom in general.

"For the first time in human history almost all of humanity is politically activated, politically conscious and politically interactive... The resulting global political activism is generating a surge in the quest for personal dignity, cultural respect and economic opportunity in a world painfully scarred by memories of centuries-long alien colonial or imperial domination... The worldwide yearning for human dignity is the central challenge inherent in the phenomenon of global political awakening... That awakening is socially massive and politically radicalizing... The nearly universal access to radio, television and increasingly the Internet is creating a community of shared perceptions and envy that can be galvanized and channeled by demagogic political or religious passions. These energies transcend sovereign borders and pose a challenge both to existing states as well as to the existing global hierarchy, on top of which America still perches...

The youth of the Third World are particularly restless and resentful. The demographic revolution they embody is thus a political time-bomb, as well... Their potential revolutionary spearhead is likely to emerge from among the scores of millions of students concentrated in the often intellectually dubious "tertiary level" educational institutions of developing countries. Depending on the definition of the tertiary educational level, there are currently worldwide between 80 and 130 million "college" students. Typically originating from the socially insecure lower middle class and inflamed by a sense of social outrage, these millions of students are revolutionaries-in-waiting, already semi-mobilized in large congregations, connected by the Internet and pre-positioned for a replay on a larger scale of what transpired years earlier in Mexico City or in Tiananmen Square. Their physical energy and emotional frustration is just waiting to be triggered by a cause, or a faith, or a hatred...

[The] major world powers, new and old, also face a novel reality: while the lethality of their military might is greater than ever, their capacity to impose control over the politically awakened masses of the world is at a historic low. To put it bluntly: in earlier times, it was easier to control one million people than to physically kill one million people; **today, it is infinitely easier to kill one million people than to control one million people.** "

**- Zbigniew Brzezinski ( Public Liar, Globalist, and mega-a-hole )**

It is important to stress that Brzezinski was not lauding the onset of this "global political awakening," he was decrying it. As one of the chief architects of the "existing global hierarchy" to which he makes reference, Brzezinski himself is under direct threat, as is the continuing ability of the global elite in general to control world affairs.

Brzezinski laments the fact that the Internet has made it almost impossible for the global elite to control the political environment, to control the thoughts and behavior of one million people, which is precisely why [Egypt moved to shut down the world wide web](#) yesterday in a desperate bid to prevent activists from organizing against the state.

{ We must understand that Egypt's revolution was caused by the establishment system, by design, in order to further destabilize the region. Yes, the Egyptian people think they have been taking control by the revolt, but when they are exhausted they will be given another form of dictatorship. They will not be given the freedom they demand, only a ruse. }

Members of the Cold Case Posse in Maricopa County, Ariz., whose report to Sheriff Joe Arpaio yesterday confirmed there is probable cause to believe Barack Obama's much-ballyhooed birth certificate document is a forgery, have begun briefing members of the county law enforcement team who may be involved in hunting for those responsible.

At a news conference yesterday, Arpaio and the chief investigator (prittle) specially appointed Cold Case Posse, Mike Zullo, confirmed that they had found evidence of forgery in the creation of the birth certificate image and fraud in the presentation of that piece of work as a real government document.

They also said they found Obama's Selective Service registration likely forged, and they said it appeared as though officials in Hawaii were covering up information about Obama. They also said it was not outside the realm of possibility that Obama might have been born overseas.

All of this relates to the Constitution's demand that a president be only a "natural born citizen," which is not defined in the Constitution. But many analysts believe at the time the document was written that would have meant the offspring of two citizens of the country.

[GET A FREE COPY OF THE ARPAIO REPORT THAT WAS DISTRIBUTED TO PRESS TODAY](http://www.wnd.com/arpaio-report/) (http://www.wnd.com/arpaio-report/)

Arpaio began the review at the request of hundreds of his constituents. They were concerned a fraudulent document was being used by Obama to be on the 2012 election ballot in Arizona.

Arpaio said at the news conference that the investigation would continue, and he might ask for a congressional investigation to address the issue. He also suggested that other outside agencies may end up participating.

While he said that decision remained in the future, sources told WND today that the Cold Case Posse, a team of volunteers not being paid by taxpayers, were briefing sheriff's office investigators on the status of evidence, so that they might be able to participate in the future as those responsible for the fraud and forgery uncovered already might be pursued.

Interestingly, the Cold Case Posse report said, "To quell the popular idea that Obama was actually born outside the United States, we examined the records of Immigration and

Naturalization Service cards routinely filled out by airplane passengers arriving on international flights that originated outside the United States in the month of August 1961 [Obama's birth month]. Those records are housed at the

National Archives in Washington, D.C. Interestingly, records from the days surrounding Obama's birth, August 1, 1961 to August 7, 1961 are missing. This is the only week in 1961 were these immigration cards cannot be found."

The posse said it already has identified at least one person of interest in the alleged forgery.

The Cold Case Posse had advised Arpaio that they believe forgers committed two crimes and sources say they now are sharing that information with Arpaio's investigative team.

They say it appears the White House fraudulently created a forgery that it characterized as an officially produced governmental birth record. And they said White House fraudulently presented to the residents of Maricopa County and to the American public at large a forgery represented as "proof positive" of President Obama's authentic 1961 Hawaii long-form birth certificate.

'The footage that Andrew Breitbart planned to release just hours after his untimely death would have proven hugely damaging to *President Obama's re-election hopes, because it shows Obama fraternizing with Weather Underground terrorists whose goal it was to set up a Communist dictatorship inside the United States.*

*According to former FBI agent Larry Grathwohl, who was assigned to infiltrate the Weather Underground's Central Committee, the organization run by Bill Ayers carried out bombings targeting the Pentagon, the State Department, as well as police stations and federal buildings, in an attempt to cause the United States government to collapse and open the door for Cuban, North Vietnamese, Chinese and Russian troops to occupy the country.'*

# Arizona sheriff finds Obama presidential qualifications forged

07.03.2012

*By Dianna Cotter*

A singularly remarkable event has taken place in the United States of America. This event occurred in Arizona on March 1<sup>st</sup> and was an earth shattering revelation.

A long awaited press conference was given by [Maricopa County Sheriff Joe Arpaio](#), a five time elected Sheriff, which should have made national and international headlines. Arpaio's credentials include serving in the United States Army from 1950 to 1953, service as a federal narcotics agent

serving in countries all over the world with the U.S. Drug Enforcement Agency (DEA), and served as the head of the Arizona DEA. Without doubt, this is a serious Law Enforcement Officer, not one to be taken in by tin-foil-hat wearing loons.

Yet, in the five days since his revelations there has been little in the way of serious reporting on the findings he presented in his presser. With [6 short videos](#), the Sheriff and his team presented a devastating case, one the tame US press is apparently unable to report.

On [April 27, 2011](#), President Barack walked into the White House Press room with a Cheshire cat like grin and a "Long Form Birth Certificate" from the State of Hawaii in hand. From the podium in the [press room](#), Mr. Obama said, "We're

- [Print version](#)

not going to be able to solve our problems if we get distracted by sideshows and carnival barkers,". Quite the barb from a man holding a forged document.

That's right, forged.

• [Send to friend](#)

The president himself created the scene; one filled laughter from an adoring press corp., a scene of unprecedented fanfare while holding a forged document which was later posted on the White House website. This was the news Sheriff Arpaio revealed on March 1, 2012 in Arizona.

Arpaio asserts that his investigators discovered, during a 6 month long investigation which is ongoing, not only was the "Long Form" likely a digitally created forgery, but the presidents Selective Service Card (Draft Card), allegedly filed in 1980, was also a forgery. These documents are what Barack Hussein Obama relies upon to prove his constitutional eligibility to the office of President of the United States.

Forged documents are being used to qualify a President of the United States for the office he holds. Or is usurped the more accurate term?

The silence from the main stream media in the US is deafening. It almost seems as if the press is terrified to even think the question, let alone ask it: Is the President a criminal? The press in Arpaio's audience were certainly asking him to state precisely that, yet nowhere has the question been asked of the White House by the press. Instead the American Press is aggressively protecting the presumed President of the United States, pushing the fraud upon both America and the world, supporting a man who may well have usurped the office.

For months before Mr. Obama released the April 2011 forgery, American businessman [Donald Trump](#) had been demanding that the president show the country definitive proof that he was born in the state of Hawaii, and eligible for the Office of President. The birth certificate forgery which was presented by Mr. Obama was in response to the repeated public requests from the billionaire businessman.

One can easily imagine the reaction of the press had this scenario been about George W. Bush in 2004.

On the contrary, the press itself forged documents regarding the 43<sup>rd</sup> President: Long term CBS newsman [Dan Rather](#) lost his credibility along with his job when he presented forged Air National Guard documents allegedly denigrating the president's service in the 1970's. One can imagine the glee evidence presented by law enforcement officials of a real forgery made by President Bush would have generated. The press feeding frenzy would have eclipsed that of Watergate, the most controversial political event in modern America history which led to the resignation of President Nixon in August of 1974.

The questions in the White House Press room would have been merciless to say the very least.

What has been the response from the Obama era press?

Silence.

Silence so loud it can be felt.

What has been the response from the 44<sup>th</sup> president so far?

A [tweet](#) from Obama Campaign press secretary Ben LaBolt, containing a link to the conspiracy theory television show "The X-files" theme song: a mocking, Saul Alinsky like, retort.

High Crimes and Misdemeanors appear to have been committed by the President of the United States or his personal representatives in presenting a forged document to the press and the Nation as a legitimate

document, and this information has been delivered from Law Enforcement Officials.

Arpaio refused to take the bait offered by a clearly hostile press in the conference room. He refused to accuse the president directly, instead informing the world that they had a "person of interest" in the forgery, and were continuing with the investigation.

Where is the outrage from the press??

As surreal as this is, it isn't the main event. It's only a part of a larger story.

# Arizona sheriff finds Obama presidential qualifications forged

07.03.2012

Pages: [1](#)[2](#)[3](#)[4](#)

Years before the 2008 election, Barack Obama was involved in efforts to amend the US Constitution to allow those who were born to parents who were not citizens to become President along with those born overseas. Those efforts have occurred several times in recent history, and all have failed. It must be intelligently asked why this was a concern at all for the then Senator.

There are two reasons for Obama's concern. The first lay in Article 2 section 1 of the constitution which [states](#): "No person except a natural born citizen, or a citizen of the United States, at the time of the adoption of this Constitution, shall be eligible to the office of President,".

Except for Barack Obama.

The second reason for Obama's concern lies in the Supreme Court of the United States case [Minor V. Happersett](#) (88 U.S. 162) 1875 which defines Natural Born Citizen:

"The Constitution does not, in words, say who shall be natural-born citizens. Resort must be had elsewhere to ascertain that. At common-law, with the nomenclature of which the framers of the Constitution were familiar, it was never doubted that all children born in a country of parents who were its citizens became themselves, upon their birth, citizens also. These were natives, or natural-born citizens, as distinguished from aliens or foreigners." Minor v. Happersett, 88 U.S. 162, 168.

This U.S. Supreme Court case decided that Virginia Minor, the plaintiff, could not use the 14<sup>th</sup> Amendment to

claim citizenship and the right to vote because she was a Natural Born Citizen, and therefor unable to lay claim to the statutory citizenship the 14<sup>th</sup> Amendment gave to former slaves, which included their right to vote. This is the only U.S. Supreme Court case in the history of the United States to clearly define what a Natural Born Citizen is. It has been cited in dozens of cases since.

This is an issue which cannot be brushed aside by Mr. Obama. His father, Barack Obama Sr. was a student from the British Commonwealth of Kenya, a British Citizen who never sought to become a US Citizen, and indeed was eventually forced to leave the country. Mr. Obama has only one parent who was an American Citizen. Obama clearly does not meet the requirements of Natural Born Citizen as defined by the Supreme Court in *Minor v. Happersett*.

The Founding Fathers, the men who wrote the Declaration of Independence and the Constitution, discussed these very reasons why no person of divided loyalties, divided nationalities, should ever have command of America's armed forces. Dozens of letters and many debates in the constitutional conventions recorded these concerns, always returning the "[Law of Nations](#)", Emerich De Vattel's encyclopedic record of the laws civilized nations had developed over two thousand years of which the founders were clearly aware of in their debates:

"The citizens are the members of the civil society; bound to this society by certain duties, and subject to its authority, they equally participate in its advantages. The natives, or natural-born citizens, are those born in the country, of parents who are citizens. As the society cannot exist and perpetuate itself otherwise than by the children of the citizens, those children naturally follow the condition of their fathers, and succeed to all their rights."

E. De Vattel 1758 Sec 212 Ch19

Vattel's definition has been accepted since the days the United States was still a motley collection of British Colonies. It has been accepted in no less that 3 Supreme Court Cases, has been accepted in testimony before the U.S. House of Representatives. It is by no means an original source; only recently dug out of dusty tomes in 2008. Indeed, this concept is enshrined in every Nation the world over. Every nation not only accepts, but has enshrined this concept: a person born to two parents who were citizens of that nation and born on its soil was a natural born citizen of that nation.

After his rousing 2004 speech at the Democrat National Convention, Barack Obama was considered a shoe-in for running for president in 2008, and indeed his campaign began that night in [Boston](#). Yet his citizenship was a serious obstacle to his ambitions, and the ambitions of the liberal progressive movement which supported him.

So the efforts to obfuscate Obama's citizenship issues began in earnest. The plan was deviously simple, make certain that people focused on his Hawaiian documents, and minimize the visibility of *Minor V. Happersett* and Citizenship to the public.

### **The State of Hawaii**

The state of Hawaii's role in this cannot be neglected for several reasons. Hawaii has a couple of legal Achilles heels of its own.

It was well known at the time, that any person could register the birth of a child in the state on a late form with only the signature of a witness (Hawaii Department of Health no longer uses this form). This means of obtaining Hawaiian documents was used frequently by immigrants who needed assistance from the state

(such as welfare), and Hawaii needed the federal dollars registering those births brought to the state. Second, and perhaps most importantly, Federal laws with regard to Hawaii had been written to allow a baby receiving state documents to be declared a Citizen of the United States without being subject to the Jurisdiction of the United States:

[Sec. 305. \[8 U.S.C. 1405\]](#) Persons born in Hawaii:

A person born in Hawaii on or after August 12, 1898, and before April 30, 1900, is declared to be a citizen of the United States as of April 30, 1900. A person born in Hawaii on or after April 30, 1900, is a citizen of the United States at birth. A person who was a citizen of the Republic of Hawaii on August 12, 1898, is declared to be a citizen of the United States as of April 30, 1900.

Missing from this US Statute is the following which appears in the [14<sup>th</sup> Amendment](#):

"All persons born or naturalized in the United States, *and subject to the jurisdiction thereof*, are citizens of the United States and of the State wherein they reside."

This disparity created a legal loophole which is specific to Hawaii: A child born in Hawaii, regardless of whether or not they were born in the state and subject to the Jurisdiction of the United States, automatically gained US Citizenship. This is the only state in the United States where this condition existed. This is why Hawaii is so vitally important to Obama, and could explain why it is important enough to forge birth documents for. It is why Obama's birth is being alleged to have occurred there instead of somewhere like Washington State or elsewhere, and is so vitally important.

Obama, by being born in Hawaii, got automatic citizenship status in the United States without regard for whether the United States had jurisdiction over his

- [Print version](#)

citizenship. Otherwise, his citizenship would have legally followed his father's, British, as Barack himself admitted on his "Fight the Smears" website during the '08 campaign.

And it only took a witness signature to gain it. It is unknown how many children gained U.S. citizenship through this means. The real citizenship status of these individuals is similarly unknown, and now that it has been discovered that Barack Obama has put forth a forged Hawaiian Birth certificate, his own proof of birth in the state is subject to serious questions by law enforcement officials.

Months before the election of 2008 Barack Obama began deliberately directing public attention to his Hawaiian Records. The Obama campaign, before redirecting the site to "[Attack Watch](#)" maintained the "[Fight the Smears](#)" website which can still be found on archival websites. The Obama campaign posted the candidate's "short Form" birth certificate with the following information from FactCheck.com:

"When Barack Obama Jr. was born on Aug. 4, 1961, in Honolulu, Kenya was a British colony, still part of the United Kingdom's dwindling empire. As a Kenyan native, Barack Obama Sr. was a British subject whose citizenship status was governed by The British Nationality Act of 1948. That same act governed the status of Obama Sr.'s children.

Since Sen. Obama has neither renounced his U.S. citizenship nor sworn an oath of allegiance to Kenya, his Kenyan citizenship automatically expired on Aug. 4, 1982."

The campaign obviously wanted public attention directed at his birth documents in Hawaii.

The campaign itself created the entire birth certificate controversy, and acted to maintain and fan the flames of that controversy for several truly simple reasons. As long as the public was wondering about what being born under "the British Nationality Act of 1948" meant, and the birth certificate "birther" controversy in general, they were not looking into laws which would have legally prevented the senator from assuming the role of candidate and then President. Legal cases such as *Minor V. Happersett*.

This case was, and still is, of tremendous import. Had it been found during the campaign it would have prevented his candidacy, certainly preventing him from taking the oath of office in Jan 2009.

So a campaign to hide *Minor V. Happersett* was undertaken at the same time.

Public.Resource.org is owned and run by Carl Malamud, and funded in part by the Center for American Progress once run by John Podesta, and funded by George Soros. This is a direct connection to the Soros Foundation, a major source of political donations to Barack Obama and the Democrat Party.

Justia erased "Minor v. Happersett" along with text quoted from the case out of its Supreme Court servers deliberately in an effort to minimize the ability of the public to find the case by searching for it, significantly reducing its apparent importance.

These two separate efforts, raising the profile of the Senator's birth certificate in as controversial a manner as possible, while minimizing the legal role of Minor v. Happersett succeeded. Barack Obama was able to illegally win the election, and illegally take office. It was stolen right in front of the American public.

The house of cards is about to come tumbling down around Barack Obama's ears as the momentum of evidence builds. Law enforcement has found his birth documents to be "highly suspect" as a forgery. His draft card has similarly been found by law enforcement as being "highly suspect" as a forgery. The smoke screen cover created by his birth certificate, hiding Minor v. Happersett in a shadow of false mockery, has been blown away. Leaving the Supreme Court case alone on the stage, glaringly exposing Barack Obama as an usurper, an unconstitutional President of the United States.

The American Press is deliberately hiding the evidence published on the internet about this defrauding of the American public and the deliberate evisceration of

- [Print version](#)

the Constitution of the United States. It is hiding Barack Obama's Fraud as it has been revealed by a Sheriff in Arizona. The silence of the American press would be unbelievable if it weren't so blatantly obvious.

It is nearly as egregious as the audacity of Obama's fraud itself.

The reason the press did give this sheriff and his friends any special notice is because they are wingnuts and this sort of "birther" nonsense has been exposed for what it is: right wing fantasy. The so-called investigator for this very crazy sheriff is a well known conspiracy enthusiast and his views on almost everything have been debunked. I find it amazing that a responsible journal like Pravda would endorse this truly crazy stuff.

Pravda printed the article. Get over it. The "wingnut" argument does not work anymore. Maybe you should try debating with facts.

Why should the main stream media concern themselves with such trivial manners as the President of the United States having a forged Birth

# Stunner! Balanced CBS report on Arpaio probe

## Network affiliate documents evidence in Obama eligibility dispute

Published: 14 hours ago March 14<sup>th</sup>, 2012

<http://wnd.com/?p=143877>

A stunning challenge has been issued in the argument over Barack Obama's eligibility to be president, and it comes from a lead investigator for Sheriff Joe Arpaio in Maricopa County, Ariz.

Arpaio's team of volunteer professional law enforcement officers and attorneys concluded after a six-month investigation that there is probable cause that forgery and fraud were committed in the process through which Obama released a "Certificate of Live Birth" image at the White House last year.

Arpaio has assured those interested that the investigation is continuing and earlier suggested that the appropriate avenue might be for Congress to begin an investigation.

The challenge came from lead investigator Mike Zullo, who was interviewed by the CBS Channel 5 affiliate in Phoenix. Reporter Heather Moore pointed out that it was Zullo's name and face that was being attached to the investigative report, and she asked how comfortable was he making the allegations.

"Very comfortable," he said, citing experts the investigators consulted during their 2,200 hours of work. "You can build the document. You can't do that if you scan [a document],"

**NOTE:** *In case you missed the news conference of Sheriff Joe Arpaio's "Cold Case Posse," [you can view it here.](#)*

Then she asks what he would say to "naysayers" who claim the allegations are just a bunch of "B.S."

“Prove it,” he said. “We did.”

He added, “We proved our point. That document’s created.”

Specifically, he said the image that was released by Obama never was an original hard copy that was scanned, as the White House described. It was instead, he said, an idea created in a computer.

The CBS affiliate report already has had more than half a million views, meaning that the response the station got from the White House on the issue, a reference to a year-old statement by Obama that such issues are “side shows,” may not be sufficient much longer.

Arpaio, at his original news conference announcing the results, said he was not accusing Obama of any crime.

But he said the evidence uncovered shows “violations of the law. We’re investigating those crimes.”

At that time, the posse confirmed it has identified at least one person of interest in the alleged forgery of Obama’s birth certificate.

In fact, Zullo reported, “We have identified the computer manufacturer, [and] where that document resided 20 minutes before it was uploaded onto the White House website.”

The issue of Obama’s birth certificate centers on his eligibility to be president, since the Constitution requires that a president be a “natural-born citizen.”

The term is not defined in the Constitution, but at the time the document was written, many experts believe it referred to the offspring of two citizens of the country. Some critics say the place of birth is irrelevant, since Obama has written that Barack Obama Sr., his father, never was a U.S. citizen.

The posse also said evidence suggests the Hawaii Department of Health has engaged in a systematic effort to hide from public inspection any original 1961 birth records it may have in its possession.

Arpaio launched the investigation at the request of 250 of his constituents. He assigned it to independent volunteers so that taxpayers would bear none of the costs of the investigation.

## Obama impeachment bill now in Congress

**Declares president's use of military without approval 'high crime, misdemeanor'**

Let the president be duly warned.

Rep. Walter B. Jones Jr., R-N.C., has introduced a resolution declaring that should the president use offensive military force without authorization of an act of Congress, “it is the sense of Congress” that such an act would be “an impeachable high crime and misdemeanor.”

Specifically, Article I, Section 8, of the Constitution reserves for Congress alone the power to declare war, a restriction that has been sorely tested in recent years, including Obama’s authorization of military force in Libya.

[In an exclusive WND column](#), former U.S. Rep. Tom Tancredo claims that Jones introduced his [House Concurrent Resolution 107](#) in response to startling recent comments from Secretary of Defense Leon

Panetta.

“This week it was Secretary of Defense Panetta’s declaration before the Senate Armed Services Committee that he and President Obama look not to the Congress for authorization to bomb Syria but to NATO and the United Nations,” Tancredo writes. “This led to Rep. Walter Jones, R-N.C., introducing an official resolution calling for impeachment should Obama take offensive action based on Panetta’s policy statement, because it would violate the Constitution.”

In response to questions from Sen. Jeff Sessions, R-Ala., over who determines the proper and legal use of the U.S. military, Panetta said, “Our goal would be to seek international permission and we would ... come to the Congress and inform you and determine how best to approach this, whether or not we would want to get permission from the Congress – I think those are issues we would have to discuss as we decide what to do here.”

“Well, I’m almost breathless about that,” Sessions responded, “because what I heard you say is, ‘We’re going to seek international approval, and then we’ll come and tell the Congress what we might do, and we might seek congressional approval.’ And I just want to say to you that’s a big [deal].”

Asked again what was the legal basis for U.S. military force, Panetta suggested a NATO coalition or U.N. resolution.

Sessions was dumbfounded by the answer.

“Well, I’m all for having international support, but I’m really baffled by the idea that somehow an international assembly provides a legal basis for the United States military to be deployed in combat,” Sessions said. “They can provide no legal authority. The only legal authority that’s required to deploy the United States military is of the Congress and the president and the law and the Constitution.”

The exchange itself can be seen below:

The full wording of H. Con. Res. 107, which is currently referred to the House Committee on the Judiciary, is as follows:

Expressing the sense of Congress that the use of offensive military force by a president without prior and clear authorization of an act of Congress constitutes an impeachable high crime and misdemeanor under Article II, Section 4 of the Constitution.

Whereas the cornerstone of the Republic is honoring Congress’s exclusive power to declare war under article I, section 8, clause 11 of the Constitution: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That it is the sense of Congress that, except in response to an actual or imminent attack against the territory of the United States, the use of offensive military force by a president without prior and clear authorization of an act of Congress violates Congress’s exclusive power to declare war under Article I, Section 8, clause 11 of the Constitution and therefore constitutes an impeachable high crime and misdemeanor under Article II, Section 4 of the Constitution.

A president with a fake birth certificate isn't really a president, so can he be impeached?

It seems to me, that since Obama refuses to release his College Transcripts, he must have something to hide. It's just common sense, if there's nothing to hide, then what's the problem?
